

AQUAMAX® Extra VOC WB Gun Cleaner 1700

PRODUCT DESCRIPTION

AquaMax Extra VOC WB Gun Cleaner is a waterbased cleaner formulated to facilitate the cleaning of equipment used in the application of *AquaMax* Extra Basecoat. It easily removes paint and dirt from the internal and external parts of a spraygun.

PRODUCT

TYPE	DESCRIPTION	CODE
<i>CLEANER</i>	<i>AquaMax</i> Extra VOC WB Gun Cleaner	1700

USE

Thoroughly clean the spraygun with 1700 *AquaMax* Extra VOC WB Gun Cleaner then dry with a clean cloth. It is recommended that the equipment is cleaned immediately after use, to avoid drying and the formation of a crust of basecoat which is difficult to remove and could compromise the efficiency of the spraygun.

STORAGE

Store in a cool, dry place away from heat.

HEALTH & SAFETY

Please refer to Material Safety Data Sheets (MSDS) for full Health and Safety details, as well as product can labels.

This product is for professional use only. The information given in this sheet is for guidance only. Any person using the product without first making further inquiries as to the suitability of the product for the intended purpose does so at his or her own risk and we can accept no liability for the performance of the product or for any loss or damage (other than death or personal injury resulting from our negligence) arising out of such use. The information contained in this sheet is liable to modification from time to time in the light of experience and our policy of continuous product development. Drying times quoted are average times at 25°C/77°F. Film thickness, humidity and shop temperature can all affect drying times.
